STUDENT USE OF ELECTRONIC DEVICES 2021

When working on electronic devices at Vineyard, students are expected to:

- Treat the device with care
- Not lend it to others
- Leave the devices of others alone
- Only use my device in ways that are appropriate and educational, and which also meet Vineyard Lutheran School expectations
- Remove inappropriate apps, games, images, music and videos
- Not use games or apps that allow communication with others
- Talk to an adult when I have issues with my device eg: technical issues, unknown messages, inappropriate material
- Turn off notifications
- Not Airdrop or use Apple TV without teacher consent first
- immediately click on the home screen or back button and inform the teacher if they find themselves in unsuitable content or sites

The understanding and expectation is that:

- iPad are subject to inspection at any time
- Phones are to be left in the front Office at the start of each school day and picked up at the end
- The school will provide adequate supervision and that steps have been taken to minimise the risk of exposure to unsuitable material
- All children's content restrictions will be set below a rating of 12+ (Teachers can assist with this if necessary) – even if it is a privately owned device eg: phone
- Breaches of the rules will see me lose my iPad/ internet / phone access rights for a period of time as determined by the Principal.

The consequence of breaking this agreement will be:

- a) Loss of device for 1 day
 - b) Loss of device for 3 days
 - c) Loss of device for 1 week
- depending on severity or frequency of breach

Parents will be notified at each level

The device (if privately owned) can be collected by parents or will be kept at school by the teacher during this time

It is our expectation that all Parents and Teachers will have regular discussions regarding appropriate use and cybersafety with their child/student.

I have read and understand the expectations and consequences set out in this document
