MEDICAL UPDATES/INFLUENZA REMINDER

* Please bear in mind that if your child is at all unwell, please DO NOT send them to school. Your child will still be able to access their learning at home through Diverse Learning. Please also continue your regular communication with your classroom teacher through the appropriate channels.

FLU LIKE SYMPTOMS – COVID TEST

- If a student, staff member or volunteer presents with flu like symptoms or is noticed with them or is unwell at the school, then they will be isolated and required to leave as soon as possible.
- They will then need to be tested for COVID at a testing site; this needs to be done as soon as possible.
- They will then need to remain isolated until a negative result is notified.
- They may only return to school once ALL the symptoms have disappeared.

These cold and flu symptoms include: Cough, Fever, Sore throat, Temperature, Shortness of Breath, Fatigue, Aches, Pains, Headaches, Runny or stuffy nose, Diarrhea, Sneezing, Any loss of taste and/or smell.

PRINCIPAL TOURS

Vineyard Lutheran School will continue to offer Principal Tours of the school whilst incorporating all safe work social distancing practices. Should you wish to have a tour of the school, please see Geoff or Jennie at the front office and they will arrange a personal tour for you at a convenient time that suits.

ENROLMENTS

If you know someone who is thinking about coming to Vineyard this year, please encourage them to contact us as soon as possible and organise a tour. Referrals from our current families are a great way for new families in our community to hear about Vineyard. You are welcome to come along with them and join the tour.

COVID-19

The latest health advice from the government and AISSA is that activities can resume/continue providing physical distancing requirements (2sq m per adult) are followed. Parents, volunteers, and service providers may enter school and preschool grounds. Adults, including parents, must continue to physically distance wherever

possible, including at school pick up and drop off or when attending school assemblies and concerts. For events held both on and off site, food and beverages must not be served using shared utensils and there should be no communal food or beverage service, for example buffets, salad bars or sauce dispensers.

In addition:

- It is important that students and staff stay home if they are unwell.
- All overseas travel remains on hold.
- Schools are advised against booking interstate camps due to the changing nature of border restrictions.
- Additional cleaning of high use areas should continue.
- Records enabling contact tracing of all adults attending the campus should be maintained.

QR CODES

SA Health has rolled out the COVID Safe Check-in system across the state's schools. As such, the implementation and use of QR codes is underway and all adults (including staff and parents) entering the site must check-in by scanning the QR code or completing the paper recording log template.

Children and students (including adult students) do not need to check-in and their attendance should be recorded via normal processes which can then be easily made available to SA Health for contact tracing purposes. The COVID Safe Check-in is purely for SA Health contact tracing purposes. It does not replace a school's normal visitor sign-in process.
