### **MEDICAL UPDATES/INFLUENZA REMINDER**

\* Please bear in mind that if your child is at all unwell, please DO NOT send them to school. Your child will still be able to access their learning at home through Diverse Learning. Please also continue your regular communication with your classroom teacher through the appropriate channels.

### **FLU LIKE SYMPTOMS – COVID TEST**

- If a student, staff member or volunteer presents with flu like symptoms or is noticed with them or is unwell at the school, then they will be isolated and required to leave as soon as possible.
- They will then need to be tested for COVID at a testing site; this needs to be done as soon as possible.
- They will then need to remain isolated until a negative result is notified.
- They may only return to school once ALL the symptoms have disappeared.

**These cold and flu symptoms include:** Cough, Fever, Sore throat, Temperature, Shortness of Breath, Fatigue, Aches, Pains, Headaches, Runny or stuffy nose, Diarrhea, Sneezing, Any loss of taste and/or smell.

### **PRINCIPAL TOURS**

Vineyard Lutheran School will continue to offer Principal Tours of the school whilst incorporating all safe work social distancing practices.

Should you wish to have a tour of the school, please see Geoff or Jennie at the front office and they will arrange a personal tour for you at a convenient time that suits.

### **ENROLMENTS**

If you know someone who is thinking about coming to Vineyard this year, please encourage them to contact us as soon as possible and organise a tour. Referrals from our current families are a great way for new families in our community to hear about Vineyard. You are welcome to come along with them and join the tour.

### **QR CODES**

SA Health has rolled out the COVID Safe Check-in system across the state's schools. As such, the implementation and use of QR codes is underway and all adults (including staff and parents) entering the site must check-in by scanning the QR code or completing the paper recording log template.

Children and students (including adult students) do not need to check-in and their attendance should be recorded via normal processes which can then be easily made available to SA Health for contact tracing purposes. The COVID Safe Check-in is purely for SA Health contact tracing purposes. It does not replace a school's normal visitor sign-in process.

Please let Jennie or Leah in the office know ASAP if your child/children wish to participate.
